

PRODUCT CHANGE NOTIFICATION

Ref Nr: EBR-0176-14022101
Date: Feb. 21st, 2014

TO: Customers who may concern

FROM: Product Marketing R Chip

HEREWITH YOU ARE INFORMED OF OUR INTENTION TO RETAIN RC/AC 0603/0805/1206 MARKING

DESCRIPTION:

To retain a single product line: RC/AC 0603/0805/1206 with marking – start date: July, 1st, 2014.

This notice is to inform you that in PCN (Ref Nr: EBR-0176-1301xx/PRC), Yageo mentioned the removal of RC/AC 0603/0805/1206 marking. After implementation for months, we received feedback from customers. Considering the status quo of market, we adjust the product strategy and decide to retain a single product line: RC/AC0603/0805/1206 with resistance value marking. Please be aware that the overlapping delivery of marking and no marking products will remain for a certain period. Thanks for your continued patronage on our chip resistors.

REASONS: Adjust product strategy and follow market trend

EXPECTED INFLUENCE ON PERFORMANCE: None

EXPECTED INFLUENCE ON QUALITY AND RELIABILITY: None

CHANGE:

Quality REPORTS available: Yes
 SAMPLES available: Yes
 Implementation date: July, 1st, 2014
