|-------------------------------|--------------------------------------------|
| Número de pieza               | PIC24FJ256GA106-I/PT                       |
| Fabricante                    | Micrel / Microchip Technology              |
| Descripción                   | IC MCU 16BIT 256KB FLASH 64TQFP            |
| Categoría                     | Circuitos integrados (CI) > Embedded -     |
| Estado de la pieza            | 2435 pcs Stock                             |
| Voltaje - fuente (Vcc / Vdd)  | 2 V ~ 3.6 V                                |
| Paquete del dispositivo       | 64-TQFP (10x10)                            |
| Velocidad                     | 32MHz                                      |
| Serie                         | PIC® 24F                                   |
| Tamaño de RAM                 | 16K x 8                                    |
| Tipo de memoria de programa   | FLASH                                      |
| Tamaño de memoria de programa | 256KB (85.5K x 24)                         |
| periféricos                   | Brown-out Detect/Reset, LVD, POR, PWM, WDT |
| embalaje                      | Tray                                       |
| Paquete / Cubierta            | 64-TQFP                                    |
| Tipo de oscilador             | Internal                                   |
| Temperatura de funcionamiento | -40°C ~ 85°C (TA)                          |
| Número de E / S               | 53                                         |
| Tamaño EEPROM                 | -                                          |
| Convertidores de datos        | A/D 16x10b                                 |
| Tamaño del núcleo             | 16-Bit                                     |
| Procesador Core               | PIC                                        |
| conectividad                  | I²C, PMP, SPI, UART/USART                  |
